# NEW Omni

Bowls Omni made of the composite material Granital, especially in the exceptional **black versions**, represent a real revolution in kitchen design. The versatility of Omni bowls in terms of **color** and **dimensions**, together with the possibility of **accessories**, make them a must-have item for anyone who wants to create a modern kitchen.

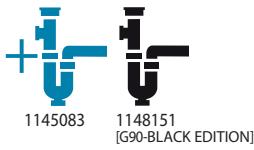

The five models are available in six color shades, and for bolder customers, we have added an **black edition version** [G90 black sink & black drain system]. All five models are suitable for classic inset [I] or undermount [U] installation.

- **high-grade composite material Granital**
  - **available in six shades**
  - **BLACK EDITION - deep black [G90] kitchen sink & black draining system**
  - **can be installed in the classic inset [I] or the elegant undermount [U] way**
- enclosed space saving draining system - provides for more free space in the cabinet
  - carefully processed sink surface is smooth - enables easy cleaning
  - large round waste outlet (φ 90mm)
  - high content of granite particles - provides sink rigidity
  - high shock, scratch and temperature resistance
  - material strength - ensures mixer tap stability
  - aesthetically concealed overflow – prevents jamming of the sponge and cloth
