One collection lets you create beautiful places that work, *your way*.

Every design project is different. But the need today is universal for beautiful furnishings in the kinds of inviting spaces that bring people together at work. We're here to help fulfill your vision with the Steelcase Design Collection.

Our collection includes a wealth of welcoming and collaborative elements — seating, tables, storage, accessories and pods — that foster social connection and personal comfort. Today's ancillary means balancing performance with craft and style in places that work, and feel, better.

Explore our community of industry-leading furnishings brands with classic, modern and innovative works by renowned designers around the world. With one curated collection, it's easy to choose from an expansive range of aesthetics, price points and likeminded companies, helping you to create beautiful places that work, your way. And every choice is backed by the promise of quality and performance.

SONS

Steelcase

Steelcase is a global design and thought leader in the world of work. Along with our expansive community of brands, we research, design and manufacture furnishings and solutions to help people do their best work in the many places where work happens.

Steelcase Flex Kiosk

Flex Kiosk is an office privacy pod offering visual shelter during informative, spontaneous video calls and brief focus sessions.

Steelcase Karman®

The beautiful Steelcase Karman® LUX finishes are now available on the arms, base, and frame. Go beyond black, white and gray to create styles from monochromatic modern, residential luxury or anything in-between.

Possilio®

Possilio is a collection of height-adjustable desks and benches with modular specifications and design options that meet unique aesthetic and performance needs.

Share It Media Wall

The Media Wall from Share It provides an easy way to integrate technology in enclosed meeting spaces, enabling teams to share ideas seamlessly, regardless of their physical location.

Steelcase Flex Active Frames

Steelcase Flex Active Frames are modular office dividers that shape space to your will. They adapt to any need, environment or aesthetic, for infinite space planning options.

coalesse

From its California roots to its current studio in Europe, Coalesse creates enduring modern furnishings for all the places where people connect and work, making the new life of work better.

**Jean Nouvel Seating Collection,
by Jean Nouvel + Coalesse Design Group**

The Jean Nouvel Seating Collection is inspired by elemental forms reminiscent of pebbles that combine seamlessly into organic forms — office lounge seating that flows naturally.

**Coalesse Ensemble Lounge System,
by Coalesse Design Group**

Coalesse Ensemble is a fluid, modular lounge system that naturally brings people together — combining intuitive performance features with infinite design expression, to let you create gathering places that really work.

**Massaud Lounge + Ottoman,
by Jean-Marie Massaud**

The Massaud Lounge Collection brings work and life in balance. The iconic chair pairs with a built-in side tablet surface to catch up on work, and a storage ottoman to make it disappear.

viccarbe

Founded in Valencia, Spain, Viccarbe works with designers from around the world to create a collection of collaborative furniture and accessories inspired from a blend of different cultures.

Fuste Table, by Victor Carrasco

An oak table that brings tribute to classic architecture with a touch of warm minimalism.

Perxa Chair, by Piero Lissoni

Perxa is a wooden chair collection with smooth curves and precise angles that bring warmth and a sense of tranquility in workspaces and beyond.

Cubow Collection, by Meike Harde

The Cubow sofa and lounge chair combine ergonomic support and expressive textile design to create a cloud-like feel, inviting you to relax.

Savina Lounge Chair, by Victor Carrasco

A comfortable and enveloping lounge chair to unwind and foster focus work.

“Improving the life of others is Viccarbe’s highest goal and this is why we believe that creating kind and iconic products for real people can provoke new, unexpected and positive bonds between them.”

Rubén Mateos
Head of Design, Viccarbe

“No designer should design a space without building in flexibility for the future because the only constant right now is change.”

Mark Partridge
Designer, Orangebox U.K.

Be my guest®

Designed by Orangebox and manufactured by Steelcase in Germany, Be my guest® offers a space where you can confidently talk in private without distracting others or being disturbed—the perfect office phone booth for private calls and online meetings. If you need a moment of quiet, Be my guest® and step into a quiet retreat, away from the hustle and bustle of the workspace.

Beyond the Desk

Beyond the Desk is a modular upholstery system that offers a supportive, upright sit, in combination with ergonomic fixed worktables and complemented by integrated worktop power. A viable alternative to fixed workstations, Beyond the Desk effectively divides up spaces, offering privacy for individuals, teams and larger collaborative work groups.

Air3

Launched in 2014, Orangebox's award-winning Air3 acoustic pod range can act as a freestanding meeting room, private space, phone booth or touchdown room.

orangebox

Orangebox is a UK-based designer and manufacturer of furniture for the changing workplace with a focus on Smartworking™ solutions — furniture that fosters collaboration while providing contemporary aesthetics, visual/acoustic privacy and commercial-grade performance.

BOLIA

Inspired by the colors and materials found in mother nature, BOLIA reinvents Scandinavian design to create beautiful furniture built to last, to love and to keep.

Cloud Series, by Yonoh Creative Estudio

The simple, robust and floating design gives Cloud a minimalistic and contrasting expression and creates a comfortable starting point for sitting back and putting your everyday life on hold.

New Mood Series, by Michael H. Nielsen

The collection was inspired by 1950s design, yet the creator has added modern characteristics such as mixing different wood textures for the legs.

Paste Series, by Böttcher & Kayser

Paste has many beautiful details and a robust construction, offering comfort in the form of soft cushions which are elegantly fastened to the padded frame with a concealed zip.

C3 Series, by Glismand & Rüdiger

C3 displays a distinctive combination of comfort, elegance and functionality. The armchair and dining chair's shape and profile have a solid yet lightweight quality.

Forest Series, by Pavel Vetrov

The Forest series was brought to life with inspiration from the untouched forest, as well as the feeling of calmness that we seek in nature.

Philippa Series, by Busetti Garuti Redaelli

Philippa combines a very Nordic and modern look, yet retains references to 1950s and 1960s classic armchairs. The chair was designed with softness, comfort and an organic shape in mind.

“The workplace has changed from a more formal, traditional office into an informal, multi-functional place. I think with designs from Steelcase and BOLIA we can make the workplace more social, relaxing, enjoyable and beautiful.”

Lars Lyse Hansen
CEO of BOLIA.com International

“We have always made objects with character and spirit, and being able to craft this emotion into an object for today’s working environment is key to our existence. Our designers like rule breaking.”

Sebastian Wrong
Design Director, Established & Sons U.K.

Butt Stool, by Estd Collection

Butt is a vibrant, versatile stool that can be used indoors and outdoors.

Island Collection, by Ronan & Erwan Bouroullec

A versatile, space-optimizing bench seating system with a variety of configurations, Island gives in-between areas a collaborative, functional use.

Quilt, by Ronan & Erwan Bouroullec

The generously-proportioned Quilt seating series is covered with honeycomb-like, plump upholstery in bright, stretch fabrics for an instant color hit.

Grid, by Ronan & Erwan Bouroullec

A colorful room-within-a-room, the raw shell of the Grid System provides a base for modular seating, shelves, tables and screens.

Lucio, by Sebastian Wrong

Lucio combines maximum comfort with minimum weight to create a super-supportive lounge chair.

British brand Established & Sons is a leading platform for innovative, world-renowned design with contemporary collections that respond to the evolving workplace.
