# Tink Table

## Product facts

### Materials

---

Plate	Solid wood / Linoleum
Legs	Solid wood
Finish	Hardwax oil

### Technical features

---

#### Plate

The table plate is fully made out of solid wood or linoleum (natural, warm to the touch, smooth, antibacterial surface material) glued on beech plywood. The solid wood plate option has steel stiffeners at the bottom side of the plate which prevent minor changes in the dimensions of the wooden parts over time due to the hygroscopy.

#### Legs and aprons

Legs and aprons are also made out of solid wood and are connected with stainless steel rod stretchers.

#### Finish

Available in two plant-based Hardwax oil finishes (colours), which retain the wood's natural state, as a white, natural and smoked oil

#### Cleaning

Please see [Product](#) or [Material](#) page on our website.

### Notes to consider

---

#### Variations

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.

#### Product changes

Please note that Gazzda reserves the right to alter construction and design without notice.

#### Dimensions (tolerances)

The dimensions shown are indicative, they may vary due to the natural properties of wood, season, or manufacturing processes. Deviations from the specified size may occur, usually no more than 1 cm.

### Environmental profile

---

#### Sustainable approach

One pivotal aspect of our commitment to sustainability is our firm dedication to sourcing wood only from FSC®-certified forestry. With 85% of GAZZDA products bearing the FSC® label (FSC-C130602), you can be assured of its ethical origin and contribution to preserving our precious forests.

### Downloads

---

#### Professionals Area

The digital showroom library for architects, interior designers, dealers, retailers and other professional users, with all of the important information about Gazzda products. The area includes product images, 2D, 3D & BIM files with textures, product and material specification sheets, test certificates, catalogues, brochures and other marketing material. Please see [gazzda.presscloud.com](http://gazzda.presscloud.com) for more information.

For all additional inquiries regarding Tink table products please feel free to [contact us](#).
