

armchair

Nopp

Product code: B-1803/1

Design: BUCK.STUDIO

Nopp is a series of universal chairs with a light, simple, elegant design and small size. The collection gives the possibility of personalizing the colours – the frame, backrest and seat can have different colors. This allows you to easily dedicate the collection to interiors with a variety of functional and aesthetic character. The Nopp collection is distinguished by a characteristic detail in the form of a small ball on the hind leg. The ball is a symbol of the whole series, at the same time serving as a hanger for a purse, jacket or element to hang a personalized name plate. The Nopp collection consists of: a chair, a chair with armrests, an armchair and a hoker in two heights.
